FAQ's, Contacts & Links

FAQ's

•What is a Medclaim policy?

A Medclaim policy reimburses hospitalization expenses incurred as an inpatient for the treatment of sickness or accident occurring during the period of insurance.

•What is the duration of the policy?

One year effective from the date of inception of policy

•Is there a minimum time limit for stay within the hospital under Medclaim?

Under Medclaim, the minimum stay within the hospital must be for a minimum of 24 hours. However for dialysis, chemotherapy, eye surgery, etc (as per the defined list) – the stay can be for less than 24 hours.

•Who is a Third Party Administrator (TPA)?

TPA is an agency appointed by the insurance company to take care of claim settlements in health insurance.

•Who is an Insurance Broker ([EDME](#))?

An Insurance broker is appointed by the Customer or policy holder to handle his insurance requirements as agreed.

•What is a floater policy?

A Floater policy is a single policy that takes care of the hospitalization expenses of your entire family who has been declared at the time of taking the policy. Any member of your family or all put together can claim up to the maximum sum insured.

•What is Sum Insured?

Sum insured is the maximum amount that can be claimed under the policy. This is the limit for the policy period.
